

## The Enhancement Collection

Wicked Sensual Care enhancement products are great for external masturbation, stamina training, increasing sensation, or decreasing sensation.

### Crème Strokng Cream

Our cream-to-liquid, oil based stroking cream is enhanced with Vitamin E and perfect for external masturbation. Please note: we do not recommend using Crème internally, as oil-based lubes are not recommended for internal use.

**Awaken Clitoral Stimulation Massage Gel**  
Awaken clitoral stimulation gel features a botanical blend of warming and cooling agents specially crafted to enhance intimacy.

### OverTime Delay Cream

This unique, no-prescription formula has 5% Benzocaine to gently ease the intensity of sensation and help you put your love-making into overtime. OT delay cream fully absorbs 5-10 minutes after application and won't transfer to or be detected by a partner.
