

The Flavor Collection

Wicked Sensual Care's flavored lubes are water-based, completely lickable and come in many tantalizing flavors: Candy Apple, Cinnamon Bun, Cherry, Sweet Peach, Mango, Birthday Cake, Blueberry Muffin, Pink Lemonade, Watermelon, Strawberry, Vanilla Bean, Butterscotch, and Salted Caramel.

Our flavors are made from the finest ingredients for superior performance and sweetened with stevia. Great for all kinds of play, each product has been designed to be amazingly slick, extra long lasting and never sticky or tacky. We made playtime even tastier.

You're welcome!
