

The Anal Collection

Wicked Sensual Care's anal collection features Jelle, a water-based lubricant designed specifically for anal use.

Jelle Anal Lube 4oz/8oz

Jelle features a super thick viscosity in a glycerin free formula, which is never sticky or tacky and provides the right amount of 'cushion' for an extremely pleasurable experience.

Jelle Chill and Jelle Heat Sensation Lube

It is important to note Jelle, Jelle Chill, and Jelle Heat do not contain desensitizers.

This is essential for safe and pleasurable anal play.
