

The Massage Collection

SKIN HUNGER IS REAL.

Satisfy your craving for touch with our sensual massage creams, created in response to the last few years of touch deprivation. Explore fulfilling sensual massage with superior formulas that also benefit the skin in a real way with each use.

Finely crafted combinations of the best sweet almond and coconut oils, moisture rich shea and cocoa butters, essential oils, select fragrances, vitamins A & E, and electrolytes make these formulas truly the best in sensual massage and body care. New eco-friendly packaging reduces carbon footprint by 50% for this line of products.

stripped + bare

This fragrance free formula is for those with scent sensitivities who want to create raw moments of connection.

sage + sea salt

This essential oil and fragrance blend provides a relaxing, grounding, yet rejuvenating experience that promotes energetic partnership.

orange blossom + patchouli

This essential oil and fragrance blend provides a sultry and sensual relaxation experience that promotes a sense of calm and closeness.
