

The Toy Collection

Wicked Sensual Care's Toy Collection is a line of personal lubricants developed specifically for use with your favorite sex toys. This super thick water-based lube is enhanced with Aloe and Olive Leaf Extract, so it won't run after application.

Toy Love

With a gel-like texture, Toy Love is designed to stay where you put it, and is safe for any toy material.

Toy Breeze

Show your adult toys some love with a gentle cooling lube developed specifically for use with internal or external sex toys.

Toy Fever

Super slick and super thick, Toy Fever provides superior glide and cushion with added warmth from clover flower and cinnamon extracts.
